"This is a fragrant, elegant Pinot with layers of interesting aromas like tangy black cherry, orange rind, herbal tonic, floral and savory notes with a streak of graphite. It's light to medium bodied, with savory, grainy-textured tannins that support the tangy fruit and earthy flavors."

"There's a very fresh, fleshy and plush, red and dark-cherry core here that offers a rich array of succulent, dense and approachable tannins. Drink now."

"This four year old North Canterbury Pinot is just entering a delicious drinking window, with notes of savoury spice, subtle oak and earthy complexity. The grapes were hand-picked, hand-sorted and fermented prior to ageing in 45% new French oak barrels toasted at varying levels for complexity. It's made from one vineyard with 26 Pinot Noir blocks that are kept separate during fermentation."

 Wine Reviews*

"Lighter ruby-red with slight purple hues. Initially shy on the nose, but the intensity and depth builds to show concentrated dark-red berry fruit with hints of plum and licorice, with dark herbs. Rich and plush on the palate, this has fine-textured tannins lending the palate elegance of style. This has a strong core with a little alcoholic power. This is the best Mt. Beautiful wine I have seen to date."
