“Very attractive and accessible Riesling with appealing floral, citrus, lime zest and subtle chalky mineral flavours. The wine is technically dry, but has just enough sweetness to react with deliciously fruity acidity giving a very pleasing tension.”

“Bright, pale straw colour with slight green hues, near colourless on the rim. The nose is finely concentrated with very good depth of penetrating aromas of lime fruit entwined with notes of honeysuckle and toast. The nose exudes a mineral freshness. Medium in sweetness and light-medium bodied, the palate has soft and gentle flavours of lime fruit with hints of lemon, melded harmoniously with some honeysuckle and toast, unfolding lifted white florals. The flavours are delicate and integrated, with the sweetness adding to the fruit richness. The wine flows along a light, tight line of fruit extract, with taut, soft acidity indicating low pH, and the wine carries softly to a light, nuanced finish. This is a delicately flavoured, harmoniously integrated medium Riesling with lime, lemon, honey and white floral flavours on a soft-textured, taut palate. Serve as an aperitif and with Asian fare over the next 4+ years. Fruit fermented in stainless-steel!”
