North
Canterbury

"One of the grandest projects in the entire country is Mt. Beautiful."

MaryAnn Worobiec

**Mt. Beautiful
2018 Rosé**

**90
POINTS**

"The current vintage of this wine is a more complex and less overtly ripe expression than the previous year's and it's lovely to see a rosé with more strings to its bow. It sings to the tune of cherry blossoms, orange rind and dried herbs. It's dry, slippery and refreshing. There's a bitter note at the finish but this would be a fun one to experiment with food pairings; likely that finish would become unnoticeable with a well matched meal." -Christina Pickard

**Mt. Beautiful
Pinot Noir 2017**

**90
POINTS**

"A dense multifaceted nose from this quality North Canterbury producer reveals notes of black cherries, peppery herbs, violets, vanilla, warm stones and a slightly meaty funky nuance. Sturdy and relatively thick waisted, the palate is cinched with savory tight-grained tannins and a sweet brambly berry fruit flecked with herbal notes to finish. Drink now through 2026." - Christina Pickard

**Mt. Beautiful
Riesling 2016**

**91
POINTS**

"The North Canterbury region, 70 miles north of Christchurch, excels at a range of cool climate varieties, and Riesling is one of them. This one has 13 grams of residual sugar, which is enough to detect, but mainly contributes a slippery texture and balances the acidity. On the nose, there are notes of lemon, lime, white pepper, lavender and other wildflower blossoms. The palate finishes on a tasty honeysuckle note. A delicate and varietally expressive drop from an underrated region that should be drunk now or within the next few years." - Christina Pickard
